

# SHOW ME THE MON-EMOJI!

Barclays creates a set of emoji chains to help bashful Brits talk about money

---

I can't afford it, sorry

---

That's too expensive!

---

I'm broke

---

You owe me money

---

You've added that up wrong/  
you've miscalculated that

---

I don't want to split the bill  
evenly, I didn't eat or drink

---

Can I borrow some money please?
